postnord Stamp News – August 2023

The Joy of the Harvest

Time to harvest fruits, vegetables and flowers!

In late summer, when the lots are at their peak, you can enjoy an abundance of fruits, vegetables and flowers. What you don't manage to eat can be turned into delicious pickles, preserves and jams. Cultivate your relationships with a greeting.

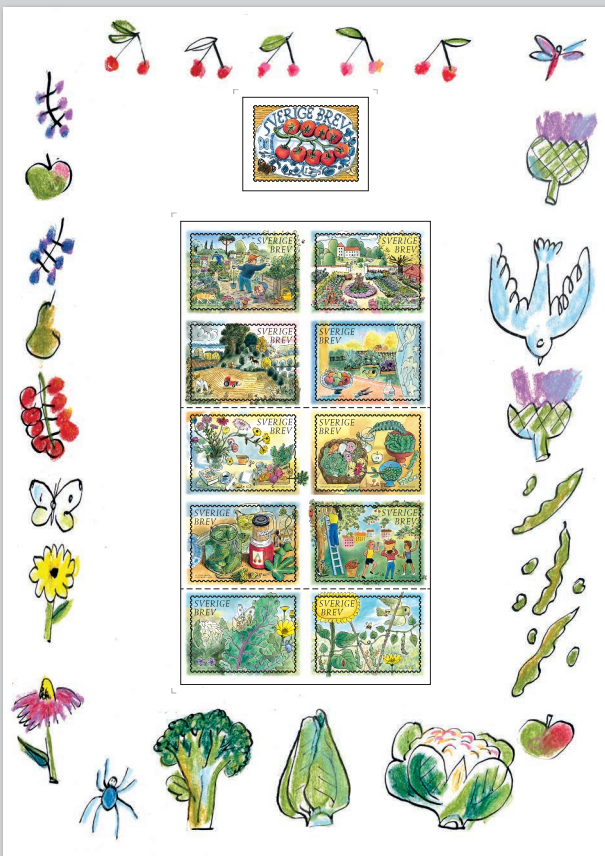

First day cover

News from Postmuseum

Favorite stamps

If you're searching for stamps that have been discontinued at your service point or in the online store on our website, it may be worth visiting Postmuseum's online shop. Right now you can find a selection of booklet and coil stamps for use as non-denominated domestic postage (within Sweden).

Postmuseum will gradually expand this range as new stamps are issued and aims to keep them in stock longer than most other outlets.
